MEMORANDUM FOR: Deputy Director for Support

**SUBJECT: Request for Exception to Provision of
FR 45-10b — Terence S. CRABANAC (P)**

1. This memorandum contains a recommendation in paragraph 4 for the approval of the Deputy Director for Support.
2. Terence S. CRABANAC (P) is a Contract Employee assigned to the [] area [] in a sensitive assignment since his conversion from a Staff Employee on 4 July 1965. CRABANAC was a GS-15, step 7 (\$19,880.00 per annum) and he is being paid at the same rate in his present contract status. His contract provides that he will be entitled to a living quarters allowance in conformance with regulations of this organization applicable to its appointed personnel.
3. The basic living quarters allowance for Class II officers [] is \$2,900 per annum. The house which CRABANAC has located, with a one year lease from 15 November 1965 to 14 November 1966, has an annual rent of \$6,600.00 excluding utilities. Therefore, for rent alone, he will be \$1,960.00 per year over the 100 percent maximum allowed under the provisions of FR 45-10b. On a 75/25 percent sharing basis of the 60 percent over the quarters allowance, he would be out of pocket \$2,395.00.
4. Due to the operational sensitivity of CRABANAC's assignment, his request for relief on his housing costs was handled by Mr. Thomas Karamessines, ADDP. On 15 September 1965, Mr. Karamessines, ADDP, approved his being reimbursed on a 75/25 percent basis for the excess allowable costs up to, but not to exceed, 60 percent above his quarters allowance. This authorization was included in a letter to CRABANAC from Mr. Karamessines. It is requested that the Deputy Director

MEMORANDUM TO: Benefits & Services Division

SUBJECT : Cause of Illness - E. Howard Hunt

1. Having been requested to give an opinion regarding the origins of the duodenal ulcer for which I was hospitalized October 12-15, 1964, I believe it to have resulted from three years of work frustration and professional dissatisfactions occasioned by (a) Agency failure to assign me to an appropriate post abroad following my participation in Project JMWAVE, and (b) the passive, non-challenging nature of the domestic work I was given.
2. I should point out that before joining Project JMWAVE in May, 1960, I requested in writing, and was granted by responsible senior officials, commitment to return me to an appropriate assignment abroad upon the termination of JMWAVE. Despite continuing verbal assurances in the ensuing three years I was not sent abroad. Instead, I was retained in domestic duties which I felt were inconsistent with the heavier responsibilities discharged by me during a long and active operational career abroad.
3. The T/O position I have been occupying - Chief of Covert Action for DO Division - is the equivalent of my 1953-54 assignment as Chief of Covert Action for SE Division. Organizationally I am where I was 11-12 years ago, but with a smaller staff and many fewer responsibilities.
4. To me this represented a professional dead-end, without hope of promotion or foreign assignment, a situation which preoccupied my mind and in due course found physical reflection in duodenal hemorrhage.
5. For the record, the foregoing information is not volunteered, but provided in response to an official request.
